The St Mary's College RFC Golf Society is very active and runs two golfing competitions each year. These two 'majors' are the Benny Lynch Trophy and the Paul Flood Cup which are open to Club members and friends. All outings are played in an informal,

friendly and highly competitive manner! All competitions are singles stableford competitions. (Members play for the Majors and our friends play for the Visitors prize) We also enter a team in the Lorcan Sherlock Trophy in June every year which, is a team event organised annually by Leinster Rugby and is played for by the Leinster Rugby Clubs in Grange Golf Club.

All members are very welcome to participate in the Golf Society. To get your name on the golf email list please contact either Bobby or Jack.

A warm welcome to Mini Rugby at St. Mary's College RFC for the 2019/20 season.

Mini Rugby embodies all that is good in the game: fun, friends, new skills and a strong sense of community. We field teams from Under 6s to Under 12s and our focus is always on welcoming all boys and girls and making sure that they feel at home in our club. We celebrate diversity and work hard to make sure that every child feels included. We welcome all families and encourage them to come along and enjoy the facilities at the clubhouse while watching their child participate in training and matches throughout the season.

We have an outstanding group of Mini Rugby coaches who work tirelessly to ensure the ongoing success of minis. Mary's have been a leading club in the field of Child Welfare working in conjunction with the IRFU ensuring that all coaches are registered and vetted. We also provide ongoing training in all aspects of coaching young players.

Mini rugby membership benefits include:

- A dedicated Child Welfare Officer supporting over 80 coaches
- Access to excellent club facilities with teas & coffees served every Sunday morning
- Opportunities to get involved and network with other mini parents / guardians
- Annual Mini Pro 14 tournament and Christmas Party
- Free entry to Senior XV AIL home matches for all mini players
- Half time matches for Mary's & Leinster senior teams
- Away trips to AIL fixtures
- Participation in Metro League and blitzes
- End of Season Fun Day & medal giving ceremony – with special guests
- U12 end of season overseas trip

Best wishes,

Shane Keown & Patrick Lennon – Mini Rugby Co-ordinators

PLAYER INSURANCE

All paid-up members of the Club are covered under a compulsory IRFU insurance scheme, the costs of which are paid directly by the Club. This scheme provides limited benefits in the case of death, loss of limb/eye and permanent total disablement. Given the costs involved, the Club is not in a position to provide benefits in excess of the IRFU insurance scheme. As a result, each playing member is strongly advised to consider his/her position in respect of medical costs and loss of income and to make his/her own arrangements for appropriate cover. Additional insurance cover, underwritten by Aviva, is available to be purchased by individual members from AON (01-266 6620) who design and manage a range of insurances for individuals on behalf of the RFU. Alternatively, you should discuss your requirements with your broker. 1994, 2003, 2004, 2011

St Mary's College RFC Code of Behaviour

General

All members of St Mary's College RFC shall, at all times, act in a manner consistent with maintaining the good name of the club. Respect must be shown at all times towards the officers, the staff and constitution of the club.

Drunkenness and disorderly conduct will not be tolerated. It is strictly forbidden to bring alcoholic drinks into the club for consumption therein. It is the strong intention of the executive committee that the club should be a place of happy enjoyment and camaraderie for all and so it is important that members respect the rights of others.

Any member acting in a disgraceful, violent or shameful way will be liable to sanction, including expulsion.

Playing Code

All players representing St Mary's College RFC must be members of the club. They should be of good standing. No person who is not a member must ever represent the club in any game. There are many benefits from being a member, but also there is a responsibility of paying the annual subscription. Players, who do not feel that the club deserves the respect or is worth the paying of the modest subscription, should consider their position. It should be noted that, the annual subscription does not cover the player's insurance fee; the club subsidises this. In due circumstances players may make arrangements with their team management, the Honorary Secretary or the Honorary Treasurer, to pay subscriptions by instalments over a period of months.

Players, selected for a team must inform the management of that team immediately, if they are not available, and no player should except under unforeseeable circumstances, cry off later than the Thursday prior to the game.

Selected players must turn up in good time for their match, as designated by the team management. Any player who does not turn up for a game will not be selected again until the rugby committee has received an acceptable explanation and apology.

Players, who do not train as required, may not be selected unless the team management feel there is an acceptable reason. Players who train regularly should be given precedence in selection. Players' attitudes to training, playing, to their coaches and teammates may be taken into account when selections are being made.

Players should ensure that they provide themselves with the official playing wear. St Mary's jerseys, white shorts, blue socks and football boots must be worn and should be clean before taking the field. Those wearing dirty, un-matching or incorrectly coloured shorts or jerseys may not be allowed to take the field by the referee and may be later disciplined by the rugby committee. Players should maintain a sporting attitude at all times towards opponents and should join in three cheers for them, after each game. Mingling socially with opponents after games is encouraged.

Foul Play

Any player who is sent off during a game must retire from the field immediately and without any dissent or abuse to the referee. Players, sent off during a match will receive an automatic two-match suspension. Any indiscipline or violence by a St Mary's player during a game must be reported, by the team management, to the Rugby Directorate. In the event of any serious violence or dangerous play by a club member, a report should be prepared, including witness statements, by the management, for the Rugby Directorate. The Rugby Directorate has the power to summon all those involved, including witnesses, to a hearing and to impose a ban, fine or other punishment, if this is considered suitable. Players accused of any such violent behaviour have the right to bring a representative with them to the hearing and to call witnesses on their behalf.

If during a game a St Mary's player is the victim of deliberate foul play or an assault, the management should make careful notes of the circumstances and of those involved. They should also seek witnesses and record their names and contact details. If the player(s) need medical treatment, which should be facilitated by the team management, this should be noted and details recorded. The incidents should be reported to the rugby committee and Rugby Directorate, immediately after the game. Unless the incidents are trivial and no injury ensues, they should be reported to the appropriate personnel in the LB.IRFU within 24 hours. This action does not preclude persons taking legal action if they deem it necessary.

Prohibited Substances

The use of any performance enhancing substances or drugs before or during a game, is strictly prohibited. Any player suspected of being in breach of this ruling, automatically will be suspended, pending an investigation by the Rugby Directorate, which is empowered to enlist the help of any person or agency, internal or external to the club, to help resolve the issue. The use of alcohol before or during a game also, is prohibited.

The use of drugs within the club confines is strictly prohibited.
